

PHARM-MAT

PTM797 & REFILLS

DESCRIPTION

Pharma-Mats® are designed to be your first line of defense against contamination. Pharma-Mats® can remove up to 99% of foot borne contaminants which are a significant contributor of particles in a cleanroom environment. These tacky mats minimize the amount of contamination that enters a controlled environment by way of shoes, carts and other sources. PTM797 includes a 20" x 38" non-skid portable frame with a 30 layer clear adhesive mat. Refills for multiple sizes available.
