Private Label + Customized Manufacturing Solutions from Hospeco Brands Group

Wipers + Pre-saturated Wipes

Customized Manufacturing Solutions: Wipers + Pre-saturated Wipes

- Private Label
- Contract Converting
- Custom Formulation

Benefits of Private Labeling

How It Works

- Build your brand and establish yourself in the marketplace as an industry leader
- Higher profit margins - have complete control over pricing, sales, distribution, and more
- Build loyalty from customers who use your products
- Work with a sales representative to determine the products you would like to private label
- A purchase order is required for the minimum order quantity per item, prior to production. Minimums are subject to 10% overrun.
- Work with your sales rep and our marketing department on your labels. We will provide label templates for each item.

Our Services

Product and Market Research

- Product and ingredient trends
- Wide array of standard substrates and solutions from which to choose
- Ability to provide customized substrates and packaging options
- Decades of industry experience to guide your selection
- End use application expertise
- Competitive product analysis
- Target market and business strategy

Full Service In-House Lab/Production Facilities

- On site chemist available
- Ingredient analysis
- Fragrance duplications
- Laboratory 30 day stability testing
- Custom and stock formulations
- Facilities are EPA registered, NSF certified, and ISO 9001 compliant

Package and Design Studio

- Professional graphic designers
- Creative label design concepts
- Logo development and branding
- Photography

Converting Capabilities

- Slitting, rewinding, sheeting, inter-folding, quarter-folding, perforating rolls, and packaging

Our team is ready to take your vision and turn it into reality.

Pre-Saturated Wipes Private Label Program

How it Works

Work with your Hospeco Brands Group sales representative and select the items you would like to private label from this brochure. Contact your local sales representative for specific details, MOQ, lead times and set up fees.

Private Label Details

- Minimum order: Required
- Contact your local sales representative for specific details and MOQ
- Full color labels available that you can design or we can design for you
- Set up charges apply
- Private label custom order quantities subject to +/- 10%

General Cleaning Wipes

Canister (75ct, size: 7" x 8", 6 canisters/cs)

Stock Formulations Available:

- Stainless Steel Wipes
- Graffiti Remover Wipes
- Carpet Spotter Wipes
- Leather Cleaner and Conditioner Wipes
- P.O.G. Remover Wipes
- General Cleaning Wipes
- Furniture / Wood Wipes
- Glass Cleaning Wipes

Custom Formulations:

For all custom formulations, a 30 day stability test is needed after final approval.

Artwork Specifications

See pg. 4 for format/size examples

- Canister Label Size: 6.75" x 12.75"
- Case Label Size: 5" x 8"

All private label art will need to be submitted to Hospeco Brands Group/Nilodor for review and final approval.

All labels can be custom designed to match any customer's format.

For label requirement information, see pg. 4

Disinfecting Cleaning Wipes

Canister (75ct, size: 7" x 8", 6 canisters/cs)

Roll w/Bucket (800ct, size: 8" x 6")

Roll (800ct, size: 8" x 6", 4 rolls/cs)

Important Information:

- Business case approval from registrant/"parent company" (i.e. Stepan, Pilot, Mason, ETC) – the "parent company" agrees to accept the potential private label customer
- Private label customer must obtain their own EPA establishment number

Custom Formulations:

For all custom formulations, a 30 day stability test is needed after final approval.

Artwork Specifications

See pg. 4 for format/size examples

- Canister Label Size: 6.75" x 12.75"
- Roll Label Size: 5" x 8.5"
- Bucket Label Size: 5" x 8"
- Case Label Size: 5" x 8"

All private label art will need to be submitted to Hospeco Brands Group/Nilodor for review and final approval.

Label will need to be reviewed and approved by "parent company".

Once label is officially approved by all parties, the customer must register the wipes in all 50 states to facilitate.

All labels can be custom designed to match any customer's format.

For label requirement information, see pg. 4

ITEM#

7" x 8" | 17.78 cm x 20.32 cm

75 wipes
NET CONTENTS: 1.20 lbs. | 19.20 oz.
Assembled in USA

Pre-Saturated Surface Disinfecting Wipes are non-woven, disposable wipes, pre-saturated with a quaternary disinfectant cleaner. This product is intended for use in hospitals and health care settings, dental offices, critical care areas, veterinary clinics, laboratory, correctional facilities, transport vehicles, beauty salons, barber shops, gyms, schools, shopping centers, catering facilities, grocery stores, and daycare centers. This product is formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic, the plastic surfaces, bathrooms, shower stalls, bathtubs, and cabinets. **When using on food contact surfaces: thoroughly rinse all treated surfaces with potable tap water.**

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product is not for use on critical and semi-critical medical device surfaces.

CLEANING: Use one Pre-Saturated Surface Disinfecting Wipe to completely remove all debris from surfaces to be treated. **DISINFECTING:** To disinfect hard, non-porous surfaces, thoroughly wet the surface to be treated. Treated surface must remain visibly wet for disinfecting. Use enough wipes for treated surface to remain visibly wet for 5 minutes. For visibly soiled surfaces, clean before following disinfecting instructions. Allow surfaces to air dry. Pre-Saturated Surface Disinfecting Wipes are an effective disinfectant against *Escherichia coli* 0157:H7 (ATCC 43885), *Pseudomonas aeruginosa* (ATCC 15442), *Salmonella enterica* (Salmonella) (ATCC 10708), *Staphylococcus aureus* (ATCC 6538), *Streptococcus pyogenes* (Shiga) (ATCC 18615), *Vancomycin resistant Enterococcus faecium* (VRE) (ATCC 29539), *Methicillin resistant Staphylococcus aureus* (MRSA) (ATCC 43521), *Community Associated Methicillin resistant Staphylococcus aureus* (CA-MRSA) Genotype USA400, *Community Associated Methicillin resistant Staphylococcus aureus* (CA-MRSA) Genotype USA300, *Vancomycin intermediate resistant Staphylococcus aureus* (VISA) (ATCC 706069) and *Klebsiella pneumoniae* New Delhi Metallo-Beta Lactamase (NDM-1) Carbapenem Resistant (CDC Clinical Isolate No. 10002).

VIRUCIDAL ACTIVITY: Pre-Saturated Surface Disinfecting Wipes are an effective virucide on hard, non-porous surfaces against Influenza A2/Japan/305/57 Virus, Herpes Simplex Virus 1 (ATCC VR-299), Human Immunodeficiency Virus Type 1 (HIV-1) and Herpes Simplex Virus 2 (ATCC VR-754), Duck Hepatitis B Virus (HBV), Hepatitis B Virus (HBV), Bovine Viral Diarrhea Virus (BVDV) and Hepatitis C Virus (HCV) when the treated surface is allowed to remain wet for 5 minutes. Pre-Saturated Surface Disinfecting Wipes are an effective virucide on hard, non-porous surfaces against Human Coronavirus (ATCC VR-740) when the treated surface is allowed to remain wet for 10 minutes. Pre-Saturated Surface Disinfecting Wipes are an effective virucide on hard, non-porous surfaces against SARS-Related Coronavirus 2 (SARS-CoV-2) (USA-WA1/2020 BEI-N-52281) when the treated surface is allowed to remain wet for 30 seconds.

KILLS HIV-1 ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS in health care settings (Hospitals, Nursing Homes) or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1, Human Hepatitis B Virus (HBV) and Human Hepatitis C Virus (HCV).

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1, HBV AND HCV OF SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS:

PERSONAL PROTECTION: When handling items soiled with blood or body fluids, use disposable latex gloves, gowns, masks, and eye coverings.

CLEANING PROCEDURES: Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this product.

CONTACT TIME: Allow surface to remain visibly wet for 5 minutes.

DISPOSAL OF INFECTIOUS MATERIALS: Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

FUNGICIDAL ACTIVITY: Pre-Saturated Surface Disinfecting Wipes are an effective fungicide against *Trichophyton interdigitale*, formerly *Trichophyton mentagrophytes* (ATCC 36253) (causative agent of Athlete's Foot Fungus), when used as directed on hard surfaces found in bathrooms, shower stalls, locker rooms, exercise facilities or other clean, hard, non-porous, surfaces commonly contacted by bare feet. The surface must remain visibly wet for 3 minutes. Allow surfaces to air dry.

EFFECTY TESTS HAVE DEMONSTRATED THAT Pre-Saturated Surface Disinfecting Wipes ARE AN EFFECTIVE BACTERICIDE, VIRUCIDE, AND FUNGICIDE IN THE PRESENCE OF ORGANIC SOIL (5% BLOOD SERUM).

SANITIZING/DEODORIZING: To sanitize/deodorize hard, non-porous surfaces: wipe surface, using enough wipes to allow treated surface to remain wet for 15 seconds for *Staphylococcus aureus* (ATCC 6538), *Klebsiella pneumoniae* (ATCC 4352), *Listeria monocytogenes* (ATCC 35152), *Escherichia coli* 0157:H7 (ATCC 43885) and 60 seconds for *Campylobacter jejuni* (ATCC 29428). Let surface dry. For visibly soiled surfaces, clean excess dirt first. For surfaces that may come in contact with food, a potable water rinse is required. For plastic and painted surfaces, spot test on an inconspicuous area before use. Pre-Saturated Surface Disinfecting Wipes will not harm most surfaces: including acrylic, fiberglass and vinyl.

Do not use on unimpaled wood.

Not For Personal Cleansing. This is NOT A Baby Wipe! Do Not Flush In Toilet.

TO OPEN PACKAGE: Flip open dispensing cap and remove lid by pulling upward. Thread center wipe corner through slits in lid to open. Do NOT PUSH FINGER THROUGH OPENING. Replace lid by pulling down at an angle. Snap lip lid down when finished, to retain moisture. Dispose of used wipes in trash. Do not flush.

STORAGE AND DISPOSAL
Do not store this product in a manner inconsistent with its labeling. This product is not for use on critical and semi-critical medical device surfaces.

CONTAINER STORAGE/DISPOSAL: Store in an area inaccessible to children. **Wipes:** Dispose of wipe in trash after use. Do not reuse. **Canister:** Tightly close lid between uses to retain moisture. Nonrefillable container. Do not reuse or refill this canister. Offer empty canister for recycling if available or discard in trash.

Do not use on unimpaled wood.

Not For Personal Cleansing. This is NOT A Baby Wipe! Do Not Flush In Toilet.

TO OPEN PACKAGE: Pull the top of the roll open approximately 6 to 8 inches from the center of the roll. Place entire bag inside of center roll dispenser. Thread the wipe through the opening in the dispenser. Close the lid of the dispenser. Dispenser may be mounted with dispensing cap.

STORAGE AND DISPOSAL
Do not store this product in a manner inconsistent with its labeling. This product is not for use on critical and semi-critical medical device surfaces.

CONTAINER STORAGE/DISPOSAL: Store in an area inaccessible to children. **Wipes:** Dispose of wipe in trash after use. Do not reuse. **Dispenser:** Roll of disinfecting cleaning wipe. Do not reuse or refill empty plastic bag. Offer empty plastic bag for recycling if available or discard in trash.

All private label art will need to be submitted to Hospeco Brands Group/Nilodor for review and final approval.

All labels can be custom designed to match any customer's format.

Pre-Saturated Wipe labels must contain the following key information:

- Product name
- Description
- Directions
- Warnings – Supplied by Hospeco Brands Group
- Active Ingredients – Supplied by Hospeco Brands Group
- Stock number
- UPC
- Package Quantity
- Wipe Size
- Label must also contain bi-lingual or tri-lingual information, depending on demographic area wipes are sold. All wipes are manufactured in the USA.

Disinfecting cleaning wipe labels must contain the above info AND the following key information:

- Assigned EPA REG. No.
- Assigned EPA EST. No.
- Storage and Disposal Information

Wiper Private Label Program

How it Works

Work with your Hospeco Brands Group sales representative and select the items you would like to private label from this brochure. Decide on the method you would like to use for your private label from the options outlined below.

Contact your local sales representative for specific details, MOQ, lead times and set up fees.

Option 1: Adhesive Labels

This option allows you to have a private label program on an order to order basis.

It is an excellent way to grow your business and is investment free.

- Minimum order: Required
- Contact your local sales representative for specific details
- Full color labels available that you can design or we can design for you
- Several label formats/sizes to choose from (see pg. 11 for format/size examples)
- Set up charges apply
- Private label custom order quantities subject to +/- 10%

Option 2: Full Custom Printed Packaging

This option allows you to private label both inner and outer packaging with your name and logo to create a professional image for your private label wiper line.

- Minimum order: Required
- Custom packaging/graphics that you can design or we can design for you
- Plate and die charges are extra
- Private label custom order quantities subject to +/- 10%
- Signed Private Label Inventory Agreement required

Finally, work with your representative to fill out any necessary forms and then the Marketing Department will begin creating the artwork for your new private label items. Once artwork is complete, proofs will be sent for your approval before going into production.

Wipers: Adhesive Label Private Labeling

- Minimum order: Required
- Set up charges apply

Artwork Specifications

Labels available in the following formats/sizes (see pg. 11 for format/size examples):

- 4" x 6" (vertical or horizontal)
- 6" x 8" (corner wrap, vertical or horizontal)
- 4" x 10" (corner wrap)

All private label art will need to be submitted to Hospeco Brands Group/Adenna for review and final approval.
All labels can be custom designed to match any customer's format.
