

Touch Point® Office Wipes

Keeping your staff healthy is important. Touch Point® has you covered when it comes to killing germs. Our wipes will help keep your workplace free from contagious pathogens and prevent the spread of illness.

Touch Point® Wipe Dispensing Systems are a convenient solution that you can place around your office, making it easier for everyone to share in a clean and healthy workplace.

A centralized station ensures employees have easy access to wipes and serves as a visual reminder to practice good hygiene.

Reduce absenteeism by minimizing the spread of germs and illnesses.

Wipe Dispensing System Features + Benefits

Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Only the wipe pulled is touched for ultimate hygiene.

Centralized Station

Touch Point® wall mount and floor stand dispensers can be placed in shared spaces for a quick and simple alternative to paper towel and spray cleaners.

Waste Management

Wipes are dispensed one at a time, reducing waste and overuse. Prevent the overconsumption of paper towels.
