Touch Point® Child Care Baby Wipes

Applications

Hands, Faces, and Bottoms

Wipe Dispensing System Features + Benefits

Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Eliminate the need for washcloths that may contain harmful bacteria. Only the wipe pulled is touched for ultimate hygiene.

Waste Management

Wipes are dispensed one at a time, reducing waste and overuse. Prevent the overconsumption of paper towels.

Centralized Station
Place in shared spaces for easy access and convenience.
