

## Touch Point® Personal Care Washcloths

A revolutionary gentle care disposable washcloth system that provides a unique 1-step process of cleansing, moisturizing and soothing the skin.

These alcohol-free washcloths are quick and easy to use. Ideal for perineal care or washing all parts of the body.

Touch Point® Personal Care Washcloths are cost effective by eliminating traditional methods associated with continence care such as, soap and water, wash basins, dry wipes and lotion.

Use of a no-rinse cleanser saved an average of 9 minutes per episode according to a U.S. comparison study, saving staff time and labor costs.\*

### Key Features

- Strong, premium quality washcloths
- Enriched moisturizing formula
- Non-irritating with added Vitamin E and Aloe
- Fragrance free and alcohol free
- Designed For All Skin Types
- Lint free

# Touch Point® Personal Care Washcloths

## Applications

Perineal care, Hands, and Faces

## Wipe Dispensing System Features + Benefits

### Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Eliminate the need for washcloths that may contain harmful bacteria. Only the wipe pulled is touched for ultimate hygiene.

### Convenient

Touch Point® wall-mount and countertop dispensers offer easy access, convenience and safety. The patented flip top dispenser (1005FT) ensures that the washcloths stay fresh and moist longer, preventing them from drying out.

### Reduced Labor with No-Rinse Cleansing

Significantly save on labor costs with no-rinse cleansing washcloths. Reduce the time spent during incontinence clean-ups and instill dignity amongst residents.

### Waste Management

Wipes are dispensed one at a time, reducing waste and overuse.

**Give your residents the  
comfort and dignity they  
deserve.**
