

Certainty® Education K-12 and Post Secondary

Classrooms should be a safe place to build bright futures. Protect the health and safety of your students and staff with a cleaning and disinfection strategy that includes easily accessible, single-use wipes that prevent cross contamination.

Certainty® wipes are trusted by school boards across Canada and are designed to combat bacteria, viruses and fungi found on all touch points in your facility.

Our powerful, fast-acting formulas start killing on contact and are safe for most surfaces.

Use in every area of your school or institution.

Wipe Dispensing System Features + Benefits

Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Only the wipe pulled is touched, ensuring optimal hygiene.

Centralized Station

Certainty® wall mount, floor stand, and counter top dispensers can be placed in shared spaces for a quick and simple alternative to paper towel and spray cleaners.

Waste Management

Wipes are dispensed one at a time, reducing waste and overuse. Prevent the overconsumption of paper towels.
