

YOU ASKED. WE LISTENED. 16" X 16" SMARTRAGS.

Our 16" x 16" SmartRags microfiber cloths are packaged in a convenient dispenser box. Choose from our heavy-weight 275 GSM 45-gram 16" x 16", medium-weight 215 GSM 35-gram 16" x 16", or the original 12" x 12" 200 GSM 18-gram. You have the ultimate choice of three different sizes and weights of color-coded SmartRags in all the colors your customers need to run their cleaning business and clean their facility.

BENEFITS OF SMARTRAGS OVER HEMMED MICROFIBER CLOTHS.

Each dispenser holds 50 cloths in a neat storable container. Boxes stack, store well and keep unused microfiber cloths in pristine condition prior to use.

SmartRags seamless edged 80% Polyester 20% Polyamide Microfiber is as effective as hemmed microfiber, and is less likely to scratch surfaces as there is no hem, or care label. Heat sealed edges prevent fraying.

Color-coding mitigates the possibility of cross-contamination. With seven colors to choose from, we have the colors to match your color-code system.

The woven construction is durable enough to wash up to 150 times but is economical enough to dispose after one use in high-loss or critical care environments.

SMARTRAGS SPECIFICATIONS.
