Hospeco™ NuBlend™ Heavy-Duty Wipes

Grab a flat pack, skip the mixing, and get to work.

When tough messes are part of the job, NuBlend™ Heavy-Duty Wipes are ready to work. These oversized, pre-moistened wipes combine industrial-strength cleaning power with the convenience of a portable flat pack. Cut through grease, oil, grime, paint, adhesives, and other stubborn soils without mixing chemicals, filling spray bottles, or hauling extra cleaning equipment.

Heavy-duty, grease-cutting formula tackles stubborn messes in a convenient, single-step format.

Portable flat pack goes wherever the job takes you — no buckets, rags, or additional equipment required.

Key Features

- Ready-to-use, pre-moistened wipes eliminate measuring, mixing, and spray bottles
- Oversized 10" x 15" wipe covers more surface area for demanding messes while reducing the number of wipes used per job
- Durable, low-lint construction stands up to rough, high-friction surfaces without easily tearing or shredding
- Material traps and lifts grease, oil, grime, and industrial soils
- Alcohol-free formula with lanolin helps condition skin
- Low-foaming formula provides versatile cleaning across a wide range of industrial surfaces

Hospeco™ NuBlend™ Heavy-Duty Wipes

Applications

- Clean counters, work areas, and hands
- Wipe down jobsites, tool cribs, and greasy tools
- Degreases surfaces and removes dirt and grime
- Tackle surface prep, adhesives, and paint removal

Industries

Automotive, Industrial & Manufacturing, Janitorial, Municipalities, Building Management, Retail, Construction & Contracting
