

## ■ PRECIOUS BABY CHANGING TABLE

Provide a safe, clean baby changing space for your customers.

### Safety

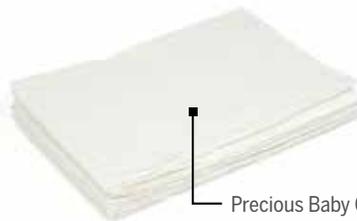

- Concave bed provides safe changing surface
- Safety strap keeps baby secure
- Stability and support reinforced by steel rods
- Low profile and round edges do not obstruct customer traffic

### Convenience

- Built-in hook holds diaper bag or purse
- Built-in shelf for placing personal baby changing items while attending to baby
- Two dispenser pockets hold 100% recycled liners and/or wet wipes

### Design

- FDA 21 CFR 177.1520 approved high density polyethylene does not absorb moisture or odors
- Mounting holes positioned to accommodate all common stud wall construction - all installation hardware is included
- Meets ADA regulations – Unique oval design only protrudes 4" from the wall when closed

Safety strap keeps baby secure.

Precious Baby Changing Table Liners have a **moisture-proof backing** to keep the changing table clean and dry.
