

Certainty® Infection Control

Keeping your staff and customers safe and healthy is more important than ever. Certainty® single-use wipes prevent cross contamination and will help keep your workplace free from contagious pathogens. Reduce the spread of illness and help cut absenteeism due to sickness.

Certainty® Wipe Dispensing Systems are a convenient solution that you can place around your facility, making it easier for everyone to share in a clean and healthy workplace.

Our powerful, fast-acting formulas start killing on contact and are safe for all surfaces.

Use in every area of your workplace. No PPE required.

Wipe Dispensing System Features + Benefits

Infection Control

Single use to prevent the risk of cross contamination and help stop the spread of illness. Only the wipe pulled is touched, ensuring optimal hygiene.

Centralized Station

Certainty® wall mount, floor stand, and counter top dispensers can be placed in shared spaces for a quick and simple alternative to paper towel and spray cleaners.

Waste Management

Wipes are dispensed one at a time, reducing waste and overuse. Prevent the overconsumption of paper towels.
