Features + Benefits

1 Minute Kill Time

Fast-acting formula uses a combination of 3 active ingredients to quickly destroy pathogenic microorganisms.

Infection Control

Single use to prevent the risk of cross contamination.

Convenient

Ready-to-use, pre-moistened wipes are packaged in a portable canister that can be placed where they are needed most.

Effective

A broad spectrum disinfectant that has been proven effective against fungi, mycobacterium, viruses and bacteria. Wipes stay wet to help ensure proper surface coverage for rapid disinfection.

Material Compatibility

Non-corrosive formula is compatible with a wide range of environmental hard, non-porous surfaces. No residue or streaking.

Wall bracket available. Sold separately.

Ideal for medical clinics, doctor offices, long term care homes, and dental offices.

Medical TB Wipes can be used on exam beds, counters, and office areas to prevent the spread of infections.
