

THE NEW STANDARD

IN MENSTRUAL CARE DISPENSERS

Innovative **Evogen® No-Touch Menstrual Care Product Dispensers** take public restroom hygiene and convenience to the next level.

Redefining a Well Appointed Public Restroom

With no-touch sink faucets, soap dispensers and hand dryers being a standard in many public restrooms and automated toilet seat cover dispensers becoming an emerging trend, the Evogen® No-Touch Menstrual Care Product Dispensers further promote a sanitary environment guests will appreciate.

Hospesco Brands Group developed the first and only no-touch menstrual care product dispensers to vend complimentary sanitary napkins and tampons effortlessly with the wave of a hand, making public restrooms more hygienic and reducing the spread of germs and illnesses. The touch-free design provides greater convenience, creating a more upscale atmosphere and enhanced customer experience.
