Supporting Every Student: Commitment to Free Period Products for Non-Public School Learners

1. Requires menstrual products to be offered free of charge in non-public schools in grades 6-12
2. **Qualifications:** Non-public elementary and secondary schools in the state of New York serving grades 6-12
3. **Timeline:** First of July 2023

Non-public schools offering free menstrual products to students in grades 6-12 address an important aspect of student well-being and equity. By providing these essential items at no cost, schools ensure students can manage their periods without disrupting their education. This initiative reduces stigma, promotes hygiene, and helps eliminate financial barriers that some students face. The availability of free menstrual products in schools creates an inclusive learning environment where all students can thrive.
