I Support the Girls

Indianapolis Chapter

Established in 2016, and serving the entire state of Indiana. ISTG-Indy donates to over 90 different social service organizations around the Hoosier state. I Support the Girls collects donations of new/used bras and new sealed packages of tampons and maxi pads and distributes them to girls and women experiencing homelessness.

No one should have to choose between their next hot meal or a package of maxi pads. And maxi pads should never stand in the way of the next steps in pursuing a better future.

Period Partner donated 42,000 period products to help fight period poverty in Indiana.
